

The luxury of stunning sound. The beauty of a simple set up.

Experience the luxury of stunning sound, Chromecast built-in and a simple set up with the Harman Kardon Surround wireless surround sound home theater system. Quickly immerse yourself into your favorite movies and TV shows thanks to the 5 wireless speakers and wireless subwoofer that are all pre-configured, eliminating a complicated setup. All you need is to connect the speakers to power and put them in the right position. Bluetooth-enabled and supported by 4 HDMI inputs and 1 HDMI out with ARC, the Harman Kardon Surround will transform your home with theater quality sound. Stream your favorite songs thanks to Google Chromecast built-in, which enables access to popular music streaming services, or use Bluetooth.

Features

- ▶ Wireless 5.1 Surround Sound
- ▶ Pre-configured speakers
- ▶ 4K HDMI inputs/HDMI Output (ARC)
- ▶ Chromecast built-in
- ▶ Bluetooth®

Wireless 5.1 Surround Sound

Get the full surround sound experience without the hassle of long cables or messy wires. Simply connect every speaker to a power outlet and hear the exciting sound details in your favorite TV shows, music, games and movies.

Pre-configured speakers

All the speakers are pre-configured ensuring an easy, uncomplicated set-up, thereby allowing you to quickly immerse yourself in superior surround sound.

4K HDMI inputs/HDMI Output (ARC)

Use your Surround system as the central entertainment hub for each of your 4K devices thanks to the HDMI connections with HDCP 2.2. HDMI ARC simplifies your setup with a single cable to the TV.

Chromecast built-in

Conveniently stream your favorite music in high definition from over 200 online services through Wi-Fi without interruption.

Bluetooth®

Stream music wirelessly from your smartphone or tablet.
